FIRE PREVENTION WEEK

Fire Prevention Week is October 5th – 11th. Your family should review what to do if your alarm goes off, walk through your exit routes, and confirm where your meeting place will be in the event of a fire. All homes in Ontario are required by law to have a working smoke alarm on every floor and outside sleeping areas. With the cooler weather, many wood stoves will be starting up, so make sure your chimney is clear of any debris that may have accumulated over the summer months.

During October, the Front of Yonge Fire Department will be distributing their annual Fire Prevention Calendar and will be conducting their smoke alarm survey. Please feel free to discuss smoke alarm placement or other fire related topics when they visit. We will be manning a fire safety booth at Walmart. In addition, we have tours and fire education programs planned for students of Front of Yonge Elementary School at the Fire Hall. *Make Every Week Fire Prevention Week.*
