

Agenda for Yonge in Bloom meeting to be held in Heritage Gardens if weather permits and in Community Centre if rainy at 2 pm on August 19, 2021

Agenda, any additions

Minutes, any errors or omission

Treasurers Report-update of plant sale and hidden garden tour and total cost of Heritage garden in minutes of July meeting

Business-Hidden Garden Tour-need volunteers for tour to continue

-Corner of County #4 and #2- Thank you Linda, Gail and Marvin. Major improvement. Do we want to buy a tub for the corner?

-Bulbs from Marg and Paul Sauve-cleaned and need to be planted. Wondering if we could recognize Marg and Paul, they being original members and maintainers of the vegetable gardens at the coach house for years. Can or should we do this by planting these bulbs in a strategic location with a marker, like the rocker markers in the heritage garden

Anniversary-As a group, we need to decide whether or not, we are going to celebrate, YIB being a group with a presence, in Front of Yonge. An email was sent out but few responded. We will keep it simple, recognizing those who have been a part of YIB over the years, council for all their support, roads crew for their support and our accomplishments in the township. Some of our present members are originals, so need to be recognized to 20 years of beautifying our township and doing things like plant sales and seminars for the benefit of all gardeners, here and outside our township.

Adjournment Next meeting Sept 16, 2021
