#### **APPENDIX A**

#### SITE PLAN SUBMISSION REQUIREMENTS

The following information will be required on the site plan. Additional information may be requested upon review of the application.

- all property lines and dimensions
- north arrow and scale (all dimensions on the site plan should be in metric)
- · legal description/municipal address of site
- location of any easements or rights-of-way, if applicable
- relevant site, zoning and building statistics, preferably in the form of a zoning table
- all buildings/structures proposed or to be retained, including sewage disposal systems and wells
- building/structure dimensions and setbacks from lot lines, including setbacks from watercourses and water bodies, where applicable
- location of pedestrian/vehicular entrances to interior of buildings/structures, including provisions for the handicapped
- service areas, including garbage storage facilities and loading areas
- parking spaces and driveways, including surfacing materials, curbing, anticipated grade (slope) of entrance, handicapped parking
- parking, aisle and driveway dimensions and setbacks
- all fencing proposed or to be retained, including height and type
- vegetation and landscaping information (ie. existing vegetation to be retained or removed, as well as the quantity, types and sizes of proposed planting materials)
- location of any existing or proposed ditches or watercourses
- location and height of any free-standing (ie. pylon) signage and light standards
- any relevant off-site information such as utility poles or cabinets, existing culverts, pavement, sidewalks/curbs, etc.
- proposed drainage patterns (detailed grading and drainage information, including a topographic survey, may be requested at the discretion of the municipality)
