TRAILS IN EVERY SEASON

Spring and fall can be great times to enjoy local trails. Cooler temperatures, changing colours and quieter paths offer a different outdoor experience. Be prepared: weather, trail conditions, daylight hours and available services can change quickly.

- Check the weather and trail conditions before heading out.
- Dress in layers and bring rain gear.
- Wear sturdy footwear for wet, muddy or uneven surfaces.
- Start early and plan to finish before dark.
- Bring water, a snack, a map and a charged phone.
- Tell someone where you are going and when you expect to return.
- Watch for slippery leaves, roots, mud and early ice.
- Wear bright or high-visibility clothing during hunting season.

Plan ahead and enjoy the season safely.
