ENVIRONMENTAL ADVISORY COMMITTEE UPDATE

The EAC would like to recognize the on-going efforts of our attendants at the waste disposal site. Since being brought onboard, handling of garbage and recyclables has improved significantly with fewer recyclables in our garbage and reduced contamination of our recyclables. We want to remind residents that the attendants are there to help you; just ask. If you require assistance, please respect social distancing, and wear a mask. Thank you for your continued support.

NEW! WASTE DISPOSAL SITE LAYOUT

Construction activities at the waste site will be finishing up shortly. We will continue to maintain the current garbage and recycling locations until such time that we can safely transition to the new transfer station.

2020 TRICK OR TREATING

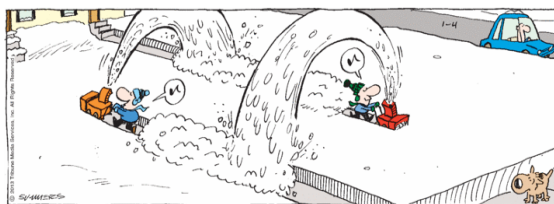

We would like to remind those who have decided to keep up with the Halloween spirit this year, to adhere to public health recommendations including social distancing, the avoidance of large groups and to remain in your own community.

HAVE FUN AND STAY SAFE!

CHRISTMAS PARADE COMMITTEE CONTEST DETAILS COMING SOON!
