BROADBAND AWARENESS COMMITTEE

Lansdowne Telephone Co. has applied to the federal government for funding for a project that would bring fibre service to almost every home in FOY. Bell Canada had submitted a similar grant request to the provincial government. Letters & emails from FOY residents & businesses were included to support the Lansdowne application. Please follow our Facebook page for further updates <https://www.facebook.com/pages/category/Nonprofit-Organization/Front-Of-Yonge-Broadband-Awareness-115015383629832/> or contact Councillor Margaret Fancy at 613-923-1178.

JUNE IS SENIORS MONTH! Theme: “Stay Safe, Stay Active & Stay Connected” We recognize all our Seniors for their many contributions you have made to our community!

Stay Safe: Be Scam Smart – Phone Scams

Someone might call & pretend to be with a charity, or work for a credit card company, or may even pretend to be a relative in trouble requesting money. Be aware & stay informed! Visit vslg.ca or call 1-800-393-7682.

Stay Active & Connected: FOY has partnered with neighbouring municipalities through a grant to produce/mail a Seniors’ info package to all households regarding services & opportunities available. It should arrive in your mailbox mid-June!
