ENVIRONMENTAL ADVISORY COMMITTEE

A huge thanks to everyone's recycling efforts! Since the re-design of our waste disposal site in December 2020, the diversion of recyclables away from the landfill has increased significantly. Less waste in the landfill will extend the lifespan of our WDS!

UPDATE ON RECREATION TRAIL

We are looking forward to the completion of our municipal trail. We hope to have it open & ready for use by early July. Watch for the official opening!

FOOTCARE FOR SENIORS COMING TO FRONT OF YONGE!

Senior Support Services (CPHC) is opening a foot care clinic at the Mallorytown Pharmacy! Qualified care nurses will provide a range of services. For more information or to book an appointment call 613-342-3693 x2037.

BROADBAND COMMITTEE

The Broadband Committee continues to advocate and look for solutions for our residents (it has been a slow process!). Since our initial survey of residents two years ago there have been a number of changes across the region and the provincial government is looking for updated information. We are launching a second survey to help us identify changes and areas where there are still needs. Please go to our Facebook page to access the link

<https://www.facebook.com/Front-Of-Yonge-Broadband-Awareness-115015383629832> to the survey, or request a hard copy at the Library or Township Office. The information will go to the Ministry of Infrastructure. Survey will only take a couple of minutes. Thank you for your patience!
