**FIRE PREVENTION WEEK**  
**October 8<sup>th</sup> - 14<sup>th</sup>**  
**FIRE PREVENTION TIP:**

The leading cause of fires in the kitchen is unattended cooking. If you are simmering, baking or roasting food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.

**YONGE IN BLOOM**

Thank you to everyone who participated in the Village Fair competitions at the Community Centre. There were many interesting entries & judging was difficult in some categories. We encourage residents to participate next year and support the Village Fair!

**INTERESTED IN
